BluSeal Stainless Steel Reel

This stainless steel spring-driven hose reel comes with a conventional spring return mechanism to make storage easier and faster after use and the stainless steel will provide long product life due to its resistance to moisture and wear & tear.

Features

- Unmatched 2 year warranty
- 12 point ratchet system which helps lock out the hose at shorter lengths
- Can also be mounted on wall, ceiling or floor, trucks and trailers
- Specialised internal system reduces the spring vibration, enables quitter operations & extends the life of spring
- Includes 3’ Lead-in hose
- Heavy duty 18 gauge powder coated steel construction
- Comes with Stainless Steel Fasteners

Hose Features

- 10 year limited warranty
- 100% rubber construction
- 40% lighter water hose than standard rubber water hose
- 3/4″ GHT plated brass fittings
- High strength polyester woven braided reinforcement
- 500 PSI minimum burst pressure
- 3:1 Safety factor
- Handles hot water up to 212°F.
- Maintains integrity under extreme weather conditions
- Flexibility from -50° F to +190° F.
- Ozone resistant
- Abrasion resistant
- Kink Resistant
- 4 finger grip bend restrictor for better use & easier control over the hose.

Constructed with 18 gauge heavy-duty Stainless Steel & with ribbed edges, our water hose reel ensures strength, durability and operator safety! it provides stability and reliability in any environment.
