Features at a glance

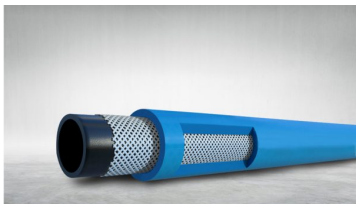

Chemical spray hose

A high-quality power spray hose helps you get the job done safely and efficiently. A chemical hose that’s designed for pesticides, fertilizers, and horticultural chemical spray applications .

40% Lighter

40% lighter than other rubber spray hoses which helps in effortless coiling of hose & ease of handling in working & house hold environment.

High strength polyester braided reinforcement

High strength polyester braided reinforcement construction to prevent elongation of hose.Industrial thread and yarn add superior strength & provides 500 PSI Burst pressure with 4:1 safety factor.

Temperature Flexibility

Utmost hot & cold environments are a challenge for all rubber hoses but AG-Lite rubber water hose handle hot water upto 212°F & cold weather temperature upto -50°F
